TUITION POLICIES

Payment Schedule:

Payments (except payment in full) are processed through FACTS Management Company. Tuition is paid in either 10 (July through April) or 11 (July through May) monthly installments, typically on either the 5th or the 20th of each month through automatic debit by FACTS.

Tuition Includes:

Tuition includes all textbooks, educational materials and half of admission fees for most field trips. Additional fees are occasionally charged for transportation, out of town field trips and other student activities.

Past Due Balances:

We appreciate your timely tuition payments. Current families maintaining their payment schedule are eligible to re-enroll.

Past due balances of over one month jeopardize student attendance. Families will also lose enrollment status if their entire balance is not paid prior to June 30. After June 30, families may only re-enroll when this balance is resolved. A seat is only guaranteed when a student is actively enrolled. New families may not enroll if they owe money to a previous school. Student records will not be released under any circumstances without a balance being paid in full.

NONDISCRIMINATION POLICY

Enrollment shall be open to children of all faiths regardless of race, color, or national origin whose parents accept as the foundation of their child's education the purpose and theological basis of the school.
