

Dear Parents,

We are Mrs. Carol Guy and Mrs. Joyce Crosscombe. We will be your child's teachers next year. We are very passionate about teaching and excited to get to know your child next year. We expect to have a wonderful 2020-2021 school year.

In order to prepare for next year, please take time to read with your child (or have your child read to you) and pay attention to opportunities to use math skills in everyday activities such as telling time and measuring for recipes.

Finally, while we don't know what the future holds, we know that God is in control and that we will be able to be together (one way or another) learning about His great creation and enjoying fellowship as we support your child in learning new skills. If you need to contact either of us, our emails are cguy@cityschool.org and jcrosscombe@cityschool.org

In Christ,

Mrs. Guy and Mrs. Crosscombe
