

June 2020

Hello Future Third Graders!

My name is Ms. Bongiorno and I will be your teacher next year! This will be my fifth year here at The City School, and my seventh year teaching overall. I am really excited to be teaching each of you in third grade next year and I look forward to learning even more about each one of you! We are going to have a wonderful year together. Third grade was one of my favorite years in school and I hope it is for you too! I thought you might want to learn a little more about me.

I live in Philadelphia, but I am originally from Maryland! My mom, dad, and younger sister all live there. In my free time, I love to paint, run, and travel to new places. I don't have any pets, but I love dogs.

A few of my favorites:

Animal: Sloth

Letter: B

Candy: Reese's Pieces

Subject in School: English

Best place I've visited: Costa Rica

Have a wonderful summer!
See you in September!

Ms. B
