

Greetings Parents and Guardians,

Hello and welcome to the 2020-2021 school year!

My name is John Delaney and I am excited to be your student's Physical Education and Computer/Media teacher this year.

While PE class will be fun and engaging, your student will be graded weekly based on the following:

Dress – Proper PE attire is required for students to be safe when participating in PE. Sneakers and gym clothes should be worn to school on PE days. Your student's classroom teacher should give you a schedule in order to know which day they will have PE class.

Participation – Students should participate in PE class. As long they are making an effort, they will receive full credit. If your student's behavior is distracting to others or inappropriate, he/she may be asked to sit out until he/she can fix the inappropriate behavior. This is a tangible consequence during class time.

Sportsmanship/Christ-likeness – This is arguably the most important aspect of PE class. Students are expected to show good sportsmanship and Christ-like behavior. The development of this attribute will enhance your student's experience in class and at school.

Computer/Media class will be equally exciting. Students will use chrome books to engage in learning as well as learn basic library skills. Participation and good behavior are expected in this class as well.

I look forward to this year and have many fun things planned for your student. If you ever need to contact me, feel free to email me at jdelaney@cityschool.org.

Thank you

John Delaney
