

Dear Parents,

I am Mrs. Carol Guy. I will be your child's teachers next year. I am very passionate about teaching and excited to get to know your child. I expect to have a wonderful 2021-2022 school year. There is so much to celebrate as we will be fully in person and will be able to enjoy activities that were not experienced last year.

In order to prepare for the fall, please take time to read with your child (or have your child read to you) and pay attention to opportunities to use math skills in everyday activities such as telling time, measuring for recipes and using coins to purchase items.

Finally, while we don't know what the future holds but we know that God holds the future. There are so many wonderful opportunities to appreciate all that God has done and will do for us in the new school year. Remember to shine your light this summer. If you need to contact me for any reason this summer, my email is cguy@cityschool.org.

In Christ,

Mrs. Guy

PS: Please have your child complete the attached shield picture and bring it to school on the first day.
