

Hello Students and Parents,

I'm Mrs. Jill Curcuruto, the Pre K teacher. I live in Philadelphia with my husband, our 4 children and 2 dogs. When I'm not at school I love to: spend time with my family and church community, read history and theology books, go for hikes and walks with my dog and grow flowers and vegetables.

I'm so happy to be part of the City School Fairmount Community and to be working with Ms. Cherry. I look forward to getting to know you and your children and partnering with you in their education!

I've attached a Bingo Card to encourage you and your child to read together this summer. If your student is asked to "read" to you, please have them either practice telling back a small portion of a story book. For instance, ask them "What happened at the beginning of the story?" or have them tell you the story based on the pictures. They don't have to be wonderful at this yet, but it is good practice for them to start to be challenged in this way.

Warm Regards,

Mrs. Jill Curcuruto
