

ello second GRADE

I am so excited to be your teacher this year! We are going to have an awesome year of learning new things, making new friends, and growing in God's love.

This is my fourth year at The City School at Fairmount. What I love about our school is the community we have that pushes us to be all that God created us to be.

I cannot wait for all the exploring, learning and fun we will have in 2nd Grade together. This year we will read chapter books, write stories, add and subtract double digit numbers, and do exciting experiments. Until then, I will be praying for each of you as you have a safe and wonderful summer. I look forward to seeing you soon!

Love,

Ms. Victor
