

Dear Parents and Students,

Welcome to 3rd grade! We are all looking forward to seeing you this upcoming school year. We are excited about the enriching and productive learning experiences you will have. This school year, you will be expanding your knowledge and continuing to grow in Christ. Our goal is to help you become independent and responsible learners as well as how to continue to care for one another.

Third grade is a shift in learning and some things may be slightly difficult. However, we want you to remember that we are here walking alongside you every step of the way. Remember to ask questions when you do not understand something. Remember to be patient with yourself and each other. When you have the opportunity to do so, extend help to your fellow classmates.

We are ecstatic about this journey you are about to embark on in third grade. There will be so many fun and lasting memories. We know that you will put forth your best effort and stay on top of all your assignments. However, for now, we hope that you enjoy this time with your friends and family. We cannot wait to hear all about your summer.

As you continue with summer and anticipate third grade, remember this, we are always shining our lights. Think about how you will shine your light for Christ this school year. We can't wait to see you in September! Enjoy the rest of your summer!

Sincerely,

Ms. Small
